Kushi is a 2001 Telugu thriller film by S. J. Surya and produced by M. Jayaram, D. Ramanaidu. It stars Pawan Kalyan and Bhumika Chawla in the lead roles and music directed by Mani Sharma. The film's title is taken from the location where the protagonist meets his first girlfriend who was killed in a car accident. The score and soundtrack were composed by Mani Sharma. The film was made on a moderate budget of 150 million. Kushi was released on 23 November 2001, and did extremely well at the box office.. Five years after the release of the film, The soundtrack was released under the title Kushi - Prasadam in December 2006. Plot Pratap Rao (Pawan Kalyan) is a software engineer who has just won a software awards show. One day, he meets his first love Pooja (Bhumika Chawla), who was presumed dead in a car accident. Pooja tells him of a secret land she was investigating as part of her thesis. Pratap feels that his past will catch up with him sooner or later. The film's plot is influenced by the 2001 science-fiction film The Butterfly Effect, in which the main character finds out about a major event from which a butterfly's wing fluttered, a year before, and it wreaks all sorts of havoc in his life. In Kushi, the same thing happens to Pratap when he finds out about his girlfriend's death, and in the next year he reunites with her.
