Translated from Japanese As the Autumn leaves were falling on the trees, there was a phone call on his landline. After he picked up the receiver, he spoke with a sexy female voice on the other end of the line. As the female voice approached, he could hear that she was dressed in something very sexy. "Is this the detective from the Nightlife Detective Agency?" "Yes. I'm very glad to meet you. I have a special mission for you." "That's... I'm very honored to accept the mission." "What's the name of the orphanage you work for?" "The Nightlife Detective Agency has a branch in Edekuma Children's village. But it's called the Nightclub and Restaurant." "Oh, that's just a pen name. I'll take care of that." "If you say so, please go ahead with your

mission.” There was a long pause. “I’m sorry to tell you this in advance, but there may be a dangerous situation developing at the orphanage.” “Then I’ll prepare for that possibility.” “Thank you very much. I’ll give you all the details over the phone. Please leave for Edekuma as soon as possible.” The voice disappeared from the phone. What was the mission? There were no details. It was a mission that only “the Nightlife Detective Agency” could handle. As for the orphanage itself, there was an ominous feeling... The investigation of the opening menu of the “Discotheque” Nightclub (a branch of the Nightlife Detective Agency) was completed. Part 1: The Foreigner in a Wonderland of Sweets While looking through the crime scene photos of the restaurant, you receive a phone call. He wanted to talk to you about something important. “Leaving tomorrow night?” “Yes, that’s right. Sorry for not telling you in advance. Since it’s coming up so soon, I’m not sure if you can be there? I’ll come by in the morning.” I completely forgot. “Never mind, just don’t

What's new:

® Part 4 King Befire's romantic involvement with Chaos Hinterland had kept him from his duty to be the Master of Destiny. This orgy of lust and corruption had also placed his House in extreme danger. In this part of Pt. 1 and Pt. 2 of the series, Chaos seeks to revive the age-old mythos as the new Great Land Around the World™. "If the Sacred Woods cannot be restored in their ancient form, then a new world of magic and power will have to be created." (Excerpt) "Today's the day to forge this legend. Fulfill your destiny as the true dominion of the land." Arnold Wilsnak, the new owner of Fenn-UI, an enormous clear-cut forest, has commenced with a project to convert it to an enormous theme park. The guardians of nature were understandably furious. It's hard to believe, but the world's third-largest forest is now slated for a Hollywoodesque theme park. Alas, my brothers, what remains of the Great Forest is now lost forever. A few of the Guardians of Fenn-UI have been slain. Commander-Patrol Leader Dowle is already in service to Chaos. Therefore, we must find Dowle to acquire his knowledge and establish a cell of Chaos-loving guardians. Specifically, Brimson uses his psychic powers to keep watch for the bearer of Chaos energy surrounding the House. Kylman Sirorest and I are mentally at the scrapyard as we negotiate with Dowle. He volunteers some arcane information. "The chaos dimension is breaking through the boundary separating the real from the Unreal World. Its energy is filling the 4 Rooms. It is using Fenn-UI as its latest field of battle. The wild-ride park you

have constructed is its target. This chaos dimension cannot be stopped. Its energy is overwhelming! Please, hurry my brothers, I sense they are just rounding the final turn.” After some time, we find Dowle and interrogate him in his chambers. He calmly tells us that it is too late to stop the chaos from reaching into the Great Forest. Nearby, Arnulbuk is defeated in battle. Arnulbuk is taken to the domicile of Fenn-UI. He is joined by Lord Hinterland. The defender of Chaos, Lord

As the columns come closer they start to raise their hands towards the bat. Take control of the bat and your ball. Use your powerups as you need to defend against the attacks.
