REVIEWS GAME OVERALL: BELLE AGATE TOWN 〇〇〇〇〇〇〇〇! Her original name was Goro Mutsumi and he was born the youngest son of a silk merchant and died in the Great Earthquake. He became the protagonist in the novelKazama wo Shimoneta which is an adventure story where his younger sister fell into a deep sleep and he was lost in the flood that followed. Then he was raised by a strange old lady, who was afraid of thunder and lightning. He now lives with her in the care of an old man, who is also afraid of lightning. This is a pure live action adventure story of him. He doesn't care about the status he gains either. He'll continue to be a rather gloomy character by nature. He's somewhat close to a religious character. His goal is probably to find a source of thunder and lightning so he can start his life over. He's full of good intentions and will not turn into a Demon King. The language is Japanese, the title translates to as "the belle of the city". published: 30 Jul 2016 Samsaramzaman WHAT YOU NEED TO KNOW: • If you like the video please, leave a "LIKE" • If you feel like your not really into videos and more of texting, or need a lot more situational awareness I would avoid this one, I watched all of it and it really stressed me out. • I hate, I hate, I HATE all of the comments when you leave a comment "JUST WATCHING" If you are going to make a comment, make sure you are in the action. • I will be uploading the video to Youtube/Google Plus/Facebook etc..
