Features Key:

A Unique Vision of Fantasy The story of the Elden Ring is a tale of war and death where heroes were born out of tragedy. You are drawn into the war between the races of the Elden Ring in the Lands Between on your own quest.
Unique Fantasy Setting The story takes place in the lands surrounded by a magical barrier. Monsters capable of forming alliances easily cross between the outside world and the magical barrier, forcing the races of the Elden Ring to defend themselves in an epic battle for survival.
Embedded in Fantasy A fantasy RPG that seamlessly combines an RPG and a D&D. A fantasy game that offers more than just combat.
Fantastic Artwork The game abounds with impossibly detailed art. Life-sized lands and monsters make up the vivid fantasy backdrop. You can find heroes sent from the Elden Ring to defend their world.
Ancient Magic The adventure begins with the legendary staff of legend, the Elden Ring. You can create your own staff by forging your own destiny and power. Forged by the gods and sealed by the queen herself to protect the Elden Ring, it is said to be the weapon that can save a world on the verge of extinction.

STORY

A system in which the players strive to drive away the Arch-Elden, a race of monsters from a distant land. • **The Beginning of the End: You Become an Assault Unit to Crush the Arch-Elden** In the game's central city, you can learn about the history of the Lands Between. You meet many characters and learn about their stories, and you'll determine your own story by the choices you make. Having traveled through the Tenant Road to the Arch-Elden, you become an assault unit and take part in an attack. It's not easy for mere adventurers to survive such missions. However, you'll meet a young man named Jason who can make things much easier. He's an expert swordsman and his physique is like iron. As your comrade, he'll help you meet up with characters that you know nothing about and feed information about your surroundings. Having collected various artifacts and captured many of the Arch-Elden, you receive a mysterious letter from Jason telling you of an Arch-Elden stronghold. Upon traveling through the Secret Road, your mission is to return to Jason to obtain a piece of ancient information and set the Arch-Elden free.

GAMEPLAY

There is a vast world that you can freely travel throughout. This world combines three different zones: the world map, the area map, and the dungeon map. • **The World Map** In the world map, you can go freely to any of the four directions and directly connect with others through multiplayer. You can also buy books from the book shop and chat with NPCs. The world map can be freely changed, so you can freely explore it in any way that suits you. • **The Area Map** The area map, which is similar to the world map but divided into areas, is located in the middle of the world map. In the area map, the areas are completely open-ended. You can enter any area and interact with every NPC, as if you were a true adventurer, relishing the joy of discovering new things. • **The Dungeon Map** The dungeon map also in the middle of the world map and is completely divided into areas. Different areas are linked to each other, and you can play the game in a single
