Continue Reading â† July 1, 2019 - After January 14, 2020, we will no longer support Windows 7 and Windows Server 2008 (R2) if you are still using AutoPOL to update them automatically. Now you have to install and update manually. On our website you can download the latest version of AutoPOL. If you are still using AutoPOL to upgrade to Windows 10: After January 14, 2020, Windows 10 Enterprise will no longer support AutoPOL.
