Want to start a fantasy prehistoric/primal board game and am shocked at how hard it is to find Cannibal/Neanderthal/Savage type miniatures. Any good leads? ----- Shibuya 8Y•5i, 0â0pi, 08Y•5i, 0
While looking, I came across a bunch of everything that might interest me / interest my partners in the game. If you want something, then know that I do not understand this and just google / find it. ----- 1. A bunch of very interesting figurines from different universes. 2. A bunch of figurines of people (which are very interesting). 3. A bunch of animal figurines. Shiib

The concept of health promotion has developed mainly in the field of public health. Its purpose is to promote physical and mental health, thereby preventing illness and improving quality of life. Health promotion is concerned with both individual and collective health, and it is aimed at promoting a more active life style by means of a balance between physical, social, mental and environmental activity. In comparison to prevention, health promotion emphasizes the need to create an environment in which prevention is easier. The term health promotion is, at best, an exercise in wishful thinking, and the available information is not sufficient to conclude that it is the most effective and cost c6a93da74d
